

May the forces be with you.

Weeks 4 - 6

In Science we will be exploring forces;

- learning how unsupported objects fall towards the Earth because of the force of gravity acting between the Earth and the falling object
- identifying the effects of air resistance, water resistance and friction, that act between moving surfaces
- Recognising that some mechanisms, including levers, pulleys and gears, allow a smaller force to have a greater effect.

In English we will be exploring recounts and newspaper reports,

Throughout Term 4

Maths – we will be continuing our work on fractions (multiplying & subtracting) expanding it further to cover problem solving and decimals.

RE: Salvation, exploring the big question, I wonder what did Jesus do to save human beings?

Spellings – See Class DOJO pages for spellings.

PE – (Friday afternoons) Netball & Tennis.
