

# Antarctic Explorers

## Topic

We are continuing to learn about continents and countries and longitude and latitude. We will be finding out about explorers who have adventured across the Antarctica and beyond.

## Term 4 – Weeks 1 - 3

### English

In English we will be continuing our work on non-chronological reports.

### Guided Reading

We will continue to read Shackleton's journey exploring our inference, retrieval, summarising and explaining skills.

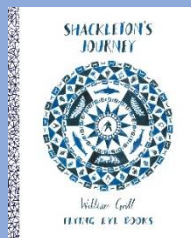

### DT

Exploring and making high energy snacks.

### Week 3 Science Week

Science week will be packed with exciting opportunities to learn and explore Science. Watch out for announcements on Class Dojo.

In Year 5, we will be maintaining our Antarctica theme; investigating water resistance. We will also be exploring climate change and the effect this is having on our great glacier environments.

World Book day – watch DOJO for announcements ☺
