St Nicholas CE Primary Academy Weekly Newsletter

Headteacher: Christopher Dale

Dear Parents and Carers,

We hope you had an enjoyable break and would like to welcome you back. Many thanks to all those families who joined us at our Family Easter Service last week.

The children have had a very settled and focused start to the term and they are really enjoying immersing themselves in their new units of learning. Make sure you look out for updates in the year group pages of the school website, so that you can find out what your child will be learning about and how to support them.

This term is set to be a very busy term again for certain year groups with SATs, phonics and end of EYFS assessments. My best wishes to the pupils of those year groups.

Parents of children in years 1, 4 and 5 should have all received their reports last Friday. I was pleased in my reading of the reports over the Easter Holiday to see that so many pupils are making good progress and that effort grades are showing that children are trying their hardest. As with everything though, there are still those who could be trying a little harder. I was surprised to see that in each of the classes there were always six or seven children who had *behaviour* or *home learning* grades of 3 or less. This is something I would hope parents would support the school in seeking to improve, as this is clearly not showing the effort required.

In the reports, teachers also set targets for improvement for children such as additional reading or times table's knowledge, if we work together on these areas pupils will be able to perform so much better in maths, reading and writing. For those who have parent teacher consultations this week, I hope the targets for your children are as clear.

Yours sincerely

Christopher Dale

PTFA Easter Fayre

A huge thank you to all those who attended the Easter Fayre on the last day of term. You raised an enormous £1300.

As ever this would not be possible if it was not for the hard work of members of the PTFA and those who help on the day, along with the generosity of those who send in prizes and attend the event itself.

Our thanks go to Amanda Taylor who is standing down as Chair of the PTFA this term. She has given of her own time selflessly during the time she has served and we thank her for her part in raising valuable funds for the children of St Nicholas.

"POWER UP TO RECYCLING CHALLENGE"

This year the school has registered in the **KCC Power up to Recycling Scheme** which is aimed at encouraging pupils, parents and staff to bring as many used batteries as possible into school for recycling. The more batteries we collect, the greater the number of rewards we can claim for the school.
The scheme will run from 1st May 2017 to 1st December 2017

Last week at St Nicholas...

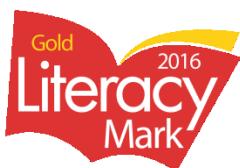

The children were visited by James Sheridan from Shepway Sports Trust. James has been competing in the sport of Bike Trials for 10 years and has achieved some great results; 4 times British Champion and two times European Champion. In this time, James has been sponsored by some of the biggest bike trial brands in the world. As a Shepway Sports Trust Ambassador, James is committed to inspiring young people to take up sport.

The values that he exhibited in his presentation highlighted the importance of our school's values. The need for determination (our value of **perseverance**) to carry on to get to your goals. Always setting yourself new challenges (**ambition**) and a huge element of **trust** as you can see below when he was jumping over his colleagues. Our values link fully into real life and learning.
