

# Year 5 Home learning

## Weekly home learning

### Reading

Each week you should be reading at least 4 times and completing the activities set for you on Reading Plus. These activities are changed every Monday and available until the Sunday of every week.

Please ensure you log your reading in your reading log.

### Times Tables

Spend at least 3 x 10-minute sessions revising your times tables. Ideally this should be via Times Table Rockstars. If you cannot access this, please revise using pen and paper – see your class teacher if you require paper resources.

### Termly home learning

Over this half-term complete at least two of the homework activities on the other side of this paper. The two pieces must be from different subjects.

Think carefully about which ones you want to do and remember to create a really good quality piece of work to share with the rest of the class! Last term we had some fantastic homework.

Your work should be brought in during the week beginning 09/12/18.

<p><b>ART</b></p>	<p>Draw or make a Viking Longboat.</p>	<p>Create or design a new spy gadget that can be used by Alex Rider</p> <p>Design a spy outfit. Will it be suitable comfortable and appealing to wear?</p>
<p><b>Literacy</b></p>	<p>Write a persuasive letter to Mr Blunt explaining why <b>you</b> are suitable for the position of a spy at MI6.</p>	<p>Design a leaflet/poster that sells your gadget to the world.</p>
<p><b>Computing</b></p>	<p><b>Use your on-line research skills to make a fact file on the Vikings.</b></p> <p>Who were the Vikings?</p> <p>What was life like in Viking Britain?</p> <p>How did the Vikings trade and explore?</p> <p>What other interesting facts can you find?</p>	<p>Prepare an informative presentation or poster about a force of your choice. E.g. air resistance, friction and gravity.</p>
