

English

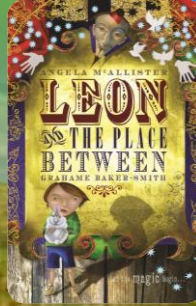

This term our writing focus is on suspense and dilemmas. Our text for our fiction module is 'The Manor House'.

PSHE

As we resume our PSHE topics, we will be looking at aspects of first aid, online safety, drugs and alcohol, as well as road safety.

Reading

Reading once again continues to be a huge focus in class this term, with all children reading daily to an adult. There will also be small group guided reading sessions and whole class reading. This term's whole class reading book is Leon and the Place Between.

RE - Sikhism

Our Big Question this term: 'How do Sikh people worship and celebrate?'

We will be looking at Sikh places of worship (how and when Sikhs worship), the importance of Seva to Sikh people (what does Guru Granth Sahib say about Seva) and the Sikh festival of Vaisakhi.

Rounders

The children will be learning about striking and fielding and learning to play rounders.

Athletics

We will be learning a variety of different track and field activities as part of our athletics lessons.

Computing

Computers will continue to feature across the curriculum for research, maths (Times Tables Rock Stars, Numbots), Reading Plus and other core skills.

Romans

Science - Light

Although we will continue looking after our plants, this term we move on to look at 'Light'. We will be understanding that dark is the absence of light, that light is reflected from surfaces. And that shadows can be formed by solid objects.

Topic

We continue our topic of Romans, incorporating it into our English non-fiction learning and finding out more about local Roman finds.

The Arts

During Arts fortnight, we will be looking at two themes - Belonging and 'Stars in our Eyes'. We will complete our projects using art, music, DT, dance and drama.

Maths

Fractions

Fractions are back! We will be revisiting fractions and building on what we learned earlier in the year.

Time

We will spend two weeks look at time, from telling the time to knowing how many days are in each month, what is a leap year, how long is the bus journey.

Shape

During our final week we will take another look at shape, both 2D and 3D
