

# Year 3 Term 1

## Maths

### Place Value

We will know the value of digits in numbers up to 1000.

### Addition and Subtraction

We will know how to add and subtract multiples of 100 and numbers up to 3 digits.

## Science

### Animals Including Humans – Nutrition

We will know that animals, including humans, need the right types and amount of nutrition, and that they cannot make their own food; they get nutrition from what they eat.

We will be able to identify the correct type of enquiry to answer a question and use evidence to answer questions.

## History

### The Norman Conquest

The children will understand who were the contenders for the throne in 1066. They will know about the Battle of Stamford Bridge and the Battle of Hastings. We will find out about Norman castles and learn about life in Norman times under the feudal system.

## Computing

### Computing systems and networks 1: Networks and the Internet.

To understand what a network is and how a school network might be organised. To know that a server is central to a network and responds to requests made.

## English

**Books:** 'Flotsam' and 'Leon and the Place Between'.

We will revise key grammatical learning points and punctuation from year 2. We will know how to use adjectives and build noun phrases and figurative language into our writing. We will learn how cohesion can be created and how to edit our own writing. We will learn about sentence construction and use coordinating conjunctions.

We will write to entertain, inform, and persuade our readers.

## PE

**Football**  
**Sports Hall Athletics**

## PSHE

**Family and Relationships**  
We will learn about conflicts, effective communication and who to trust. We will learn about respecting differences in others.

## RE

### People of God: What is it like to follow God?

We will know the Old Testament tells the story of a group of people known as 'the People of God' and their relationship with God. We will know they try to live in the way God wants, following his commands and worshipping him. They believe he promises to stay with them, and Bible stories show how God keeps his promises.

## MFL

**French Greetings.**

## Music

**Jazz music.**

## DT

### Eating Seasonally

We will know that climate affects food growth, and that importing food impacts the environment and is one of the reasons why we should eat seasonal foods grown in the UK. We will create a recipe that is healthy and nutritious using seasonal vegetables.
