

Year 5 Home learning overview for Week 14 - Week beginning Monday 13th July 2020

We are continuing to use the [Oak National Academy Website](#) but will link these with your CPG work books and other resources to support this learning too. Please find below activities and links to each subject we would like your child to complete.

Remember, everything we provide is here to give you ideas. If you have been completing other things that work for your child, please continue to do so.

English

Oak National Academy

This week you will be following a series of online lessons from the [Oak National Academy](#) all about Short Stories. Click on link below and scroll down until you find the lessons on Biographies

<https://classroom.thenational.academy/subjects-by-year/year-5/subjects/english>

Reading

- [Reading Plus](#) – as directed by your teacher (feel free to do more if you want).
- [Home Reading book](#) 4 x weekly (this could be a magazine, newspaper...).

[Need a new book?](#)

Oxford Owl has reading books for each level for you to read.

<https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/>

Find a new book to read or listen to one on here: <https://magicblox.com>

Spelling: Continue with your learning and revision of the Year 3 & 4 and 5 & 6 spelling lists and the spelling activities included in the Oak Academy English lessons if you are following these.

Try this <https://spellingframe.co.uk> to practise your spellings. There are many free activities that you can do. If there is a particular spelling pattern that you were unsure of when completing your Read Write Inc spelling book, have a look at www.spellingframe.co.uk for that pattern and practise it. **You could also turn to page 68 of your CPG Grammar, Punctuation and Spelling book and complete a spelling activity here too.**

SPAG: **Complete a page each day. Use the BBC bitesize if you need a recap.**

You can complete any parts of the book that haven't been completed now too.

Also, have a go at completing these online tests on the CPG website.

<https://www.cgpbooks.co.uk/resources/cgp-s-free-online-10-minute-tests/free-primary-spag-online-10-minute-tests-years-1>

Maths:

Mathematical Fluency – Use Times Table Rock Stars to practise your times tables and corresponding division facts. Also try one of these CPG online maths tests

<https://www.cgpbooks.co.uk/resources/cgp-s-free-online-10-minute-tests/free-primary-maths-online-10-minute-tests-years>

Like English, this week you will be continuing with a series of online lessons from the [Oak National Academy](#). You will need **a sharp pencil** and your **home learning book (or paper)** to write your answers down. *You will be continuing to work on the sections titled Calculating with whole numbers and decimals– click on the link below and scroll down to find these sections.*

<https://classroom.thenational.academy/subjects-by-year/year-5/subjects/maths>

Use your CGP Grammar, Year 5 Maths book to find some work on problem solving; this will support the work you are doing in Maths this week.

You can complete the remainder of the book in your own time now too.

Foundation Subjects

As it is the final week of the school year this week, we would like the children to design a poster (or multimedia presentation) of everything that they have learnt over the year. We would like them to reflect on what they have enjoyed: topics, trips and anything else they remember with fondness. If children have access to ICT then please encourage them to create this electronically.

Also, in school we have been reading the story 'Stormbreaker' by Anthony Horowitz and will be watching the film this week. The film can be streamed using Amazon Prime if you have access to this. **Please ensure you ask an adult before watching this film. It is classified as a PG.**

Stormbreaker

2006 | BBFC Rating: Parental Guidance | CC

★★★★☆ ~ 69

Prime Video

Included with your Prime Membership

- Starring: [Mickey Rourke](#), [Andy Serkis](#), [Sophie Okonedo](#), et al.
- Directed by: [Geoffrey Sax](#)

If you would like to continue with the Oak Academy lesson's for other foundation subjects, then the links can be found below:
