

## Year 5 Home learning overview for Week 8 - Week beginning Monday 1<sup>st</sup> June 2020

We are moving over to using the **Oak National Academy Website** for **some** of our home learning activities. Please find below activities and links to each subject we would like your child to complete.

Remember, everything we provide is here to give you ideas. If you have been completing other things that work for your child, please continue to do so.

### English

This week you will be following a series of online lessons from the **Oak National Academy** all about Instruction Writing.

Monday	Day 1: Today you are going to be completing a reading comprehension with a focus on language. Using the text to find the answer. Click the link below for today's lesson. <a href="http://www.thenational.academy/year-5/english/set-of-instructions-reading-comprehension-language-year-5-wk5-1">www.thenational.academy/year-5/english/set-of-instructions-reading-comprehension-language-year-5-wk5-1</a>
Tuesday	Day 2: Today you are going to be looking at <b>word meaning and completing a reading comprehension</b> . Click the link below for today's lesson. <a href="http://www.thenational.academy/year-5/english/set-of-instructions-reading-comprehension-word-meaning-year-5-wk5-2">www.thenational.academy/year-5/english/set-of-instructions-reading-comprehension-word-meaning-year-5-wk5-2</a>
Wednesday	Day 3: Today you are going to explore the features of a set of instructions. Click the link below for today's lesson. <a href="http://www.thenational.academy/year-5/english/set-of-instructions-identifying-the-features-of-a-text-year-5-wk5-3">www.thenational.academy/year-5/english/set-of-instructions-identifying-the-features-of-a-text-year-5-wk5-3</a>
Thursday	Day 4: In today's lesson you are going to <b>have a SPaG focus – Cohesive devices</b> . Click the link below for today's lesson. <a href="http://www.thenational.academy/year-5/english/set-of-instructions-spag-focus-cohesive-devices-year-5-wk5-4">www.thenational.academy/year-5/english/set-of-instructions-spag-focus-cohesive-devices-year-5-wk5-4</a>
Friday	Day 5: Today you are going to put all your learning together and <b>write a set of instructions</b> . Click the link below for today's lesson <a href="http://www.thenational.academy/year-5/english/set-of-instructions-write-a-set-of-instructions-year-5-wk5-5">www.thenational.academy/year-5/english/set-of-instructions-write-a-set-of-instructions-year-5-wk5-5</a>

### Reading

- **Reading Plus** – as directed by your teacher (feel free to do more if you want).
- **Home Reading book** 4 x weekly (this could be a magazine, newspaper...).

### Need a new book?

Oxford Owl has reading books for each level for you to read .

<https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/>

Find a new book to read or listen to on here: <https://magicblox.com>

**Spelling:** Continue with your learning and revision of the Year 3 \* 4 and 5 & 6 spelling lists and the spelling activities included in the Oak Academy lessons. Try this <https://spellingframe.co.uk> to practise your spellings. There are many free activities that you can do.

**SPAG:** Have a look at some of these games to consolidate your SPaG learning. <https://www.topmarks.co.uk/english-games/7-11-years/spelling-and-grammar>

**Maths:** Like English, this week you will be following a series of online lessons from the **Oak National Academy**. You will need **a sharp pencil** and your **home learning book (or paper)** to write your answers down.

Monday	Day 1: Today we will be learning about <b>reflections</b> . We will be understanding what <b>mathematical reflections</b> are and will learn what a <b>line of reflection</b> is. By the end of this lesson, you will be able to identify how a shape has been reflected. <a href="http://www.thenational.academy/year-5/maths/to-identify-and-describe-reflections-year-5-wk2-1">www.thenational.academy/year-5/maths/to-identify-and-describe-reflections-year-5-wk2-1</a>
--------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

<b>Tuesday</b>	Day 2: Today we will be describing <b>reflections</b> using <b>coordinates</b> . We will be focusing on <b>reflecting a shape along a line of reflection</b> and using coordinates to describe the shape. You will also have an opportunity to reason about how and why reflections work.  <a href="http://www.thenational.academy/year-5/maths/to-describe-reflections-using-coordinates-year-5-wk2-2">www.thenational.academy/year-5/maths/to-describe-reflections-using-coordinates-year-5-wk2-2</a>
<b>Wednesday</b>	Day 3: Today we will be <b>reflecting</b> shapes along axis. We will be using the <b>X and Y axes as lines of reflection</b> and using <b>coordinates</b> to describe the <b>reflection</b> that has taken place. In addition, we will also be creating rules to help us reflect shapes more easily. <a href="http://www.thenational.academy/year-5/maths/to-reflect-shapes-along-axes-year-5-wk2-3">www.thenational.academy/year-5/maths/to-reflect-shapes-along-axes-year-5-wk2-3</a>
<b>Thursday</b>	Day 4: Today we will be learning how to <b>reason using reflection</b> . Yesterday, we worked on creating generalisations about reflections along the X and Y axes and today we will be using those generalisations to reflect shapes using just one coordinate. <a href="http://www.thenational.academy/year-5/maths/to-reason-about-reflection-year-5-wk2-4">www.thenational.academy/year-5/maths/to-reason-about-reflection-year-5-wk2-4</a>
<b>Friday</b>	Day 5: Today we will be <b>reflecting shapes along axis</b> . We will be returning to a four-quadrant grid. We will be using the X and Y axes as lines of reflection and using coordinates to describe the reflection that has taken place. In addition, we will also be creating rules to help us reflect shapes more easily. <a href="http://www.thenational.academy/year-5/maths/to-make-links-between-reflections-and-translations-year-5-wk2-5">www.thenational.academy/year-5/maths/to-make-links-between-reflections-and-translations-year-5-wk2-5</a>

### Foundation subjects

Here is a **suggested** timetable – the activities can be completed **on any day**. PE can be completed as often as you wish.

<b>Monday</b>	<b>Tuesday</b>	<b>Wednesday</b>	<b>Thursday</b>	<b>Friday</b>
<u>Science</u> In this lesson we are going to be learning about igneous rock. We are going to learn about the structure of the Earth, how to recognise igneous rock and some of the uses of igneous rock. We will also learn how igneous rock is made, using ice and chocolate as a model! You will need a piece of paper and a pencil for this lesson.  <a href="http://www.thenational.academy/year-5/foundation/how-is-igneous-rock-formed-year-5-wk1-3">www.thenational.academy/year-5/foundation/how-is-igneous-rock-formed-year-5-wk1-3</a>	<u>Computing:</u> Develop your coding skills by building a Star Wars inspired galaxy. Click on the <b>blocks</b> activity. <a href="https://code.org/starwars">https://code.org/starwars</a>  <u>RE</u> We will be finding out about Islam.  Use the video to find out about Ramadam and then answer these 3 questions in your homelearning book. 1.) What is Ramadam? 2.) <b>Why</b> do Muslims fast? 3.) <b>How</b> do Muslims fast?  <a href="https://www.bbc.co.uk/teach/class-clips-video/religious-education-ks2-my-life-">https://www.bbc.co.uk/teach/class-clips-video/religious-education-ks2-my-life-</a>	<u>Art</u> In this lesson we will create a frottage patchwork from rubbings of textured objects which you find around your home. You will need a pencil and paper.  <a href="http://www.thenational.academy/year-5/foundation/texture-treasure-hunt-year-5-wk1-5">www.thenational.academy/year-5/foundation/texture-treasure-hunt-year-5-wk1-5</a>	<u>Topic</u> Learn all about the Acropolis and then explore some of the buildings found in the Acropolis.  Then complete the challenge of virtually making an Ancient Greek building.  <a href="http://www.ancientgreece.co.uk/acropolis/home_set.html">http://www.ancientgreece.co.uk/acropolis/home_set.html</a>	<u>PE</u> <a href="http://www.thenational.academy/online-classroom/pe#subjects">www.thenational.academy/online-classroom/pe#subjects</a>  <u>French -</u> Try completing these activities all about the rooms in your house.  Select the full tutorial from the road map.  <a href="https://www.french-games.net/frenchlessons?topic=Home%20-%20rooms%20in%20the%20house&amp;level=primary">https://www.french-games.net/frenchlessons?topic=Home%20-%20rooms%20in%20the%20house&amp;level=primary</a>

	<a href="#">my-religion-ramadan-and-eid-ul-fitr/zdv7pg8</a>  Use these words to help you: Qur'an, Muslim, fasting, self-discipline, devotion, Islamic Calendar
