Dear Parents and Carers,

Today your child has been introduced to the reading challenge, 'Buster's Book Club.' The aim of the scheme is to encourage your child to read more. We all know how reading can have a positive impact on a child's academic progress and this is further highlighted in a poster at the end of this newsletter. One of the biggest challenges of modern family life is finding the time to read with children but if we add this into our child's routines, it will bring its own rewards to them.

Last week, I had the opportunity to meet with the school's pupil council. Our discussions took place on the names for the school house teams, the pupils also had ideas about how some things could be further improved and in the way they would like to see things changed. They reported that they were also very happy with the recent timetable changes in the school as these gave a greater emphasis on learning across the school. The meeting was really productive and has already provided a full agenda for the year ahead.

We were also fortunate as a school to be joined by a number of special visitors last week, all of whom reported that the children were delightful in their involvement and engagement in the activities they led. It is always nice to hear this from visitors who come into our school and does the children of St Nicholas school much credit.

Wishing you all a very good week

Yours sincerely  
Christopher Dale

### **School Council**

Last week the school council met to decide upon the new House Names for the school. After a discussion on the short list the pupil council held a vote and decided upon the names of the Saints of local Churches as the new house names for the school. The names of the Houses are: St Augustine – Blue House, St George – Red House, St Nicholas – Green House and St Peter – Yellow House.

The children will soon be sorted into house groups across the school and start competing for house points in their class work and in school events, including sports day in the summer where the children across the school will compete against each other.

**Help** - Children in reception class are currently learning about 'People who help us' Do you have a job in the public sector where you would be willing to come into school and talk to the children about your job. If so please speak to Mrs Pearce, Early Years Leader.

## Changes to local authority attendance policy.

We have been informed of changes to the local authority attendance code of conduct, effective January 2016, which forms part of the KCC attendance policy, which the IEB upholds as we are a local authority maintained school.

### Unauthorised Term Time Leave

A penalty notice will be issued when a parent takes their child out of school for 5 days within a 50 SCHOOL day period.

### Lates After 9am

The policy states that a penalty notice will be issued 'where a pupil has been persistently late for 10 more sessions after the register has been closed.' The school will of course continue to monitor all forms of absence and will, as it does at present, inform parents if they are close to receiving such a notice. If you are having difficulty in getting your child to school or are experiencing other difficulties with attendance please do not hesitate to contact the school, where we will seek the right support for you.

This weeks collective worship focus is:

## REFLECTING ON THE LIGHT OF HOPE

'As long as I am in the world, I am the light of the world.'

John 9:5

## Attendance

Well done to classes Eagles who achieved 99.6% and Kestrels who achieved 98.1% attendance in the week ending 22<sup>nd</sup> January.

Whole school attendance to 22<sup>nd</sup> January was 95.8%.

**Thank you for realising the importance of sending your child to school every day.**

## Last week at St Nicholas...

**Olympic visitor** We were visited by Chris Cook, Olympian and double Commonwealth swimming champion. Chris worked alongside the children as part of the Kent schools INSPIRE programme, where children in Kent are encouraged to use the build up to the Rio 2016 Olympic and Paralympic Games, as an opportunity to increase their participation in physical activity and sport, the arts, and personal development.

**Captain Graham Nunn** We were also joined last week by Captain Graham Nunn of the Church Army who came into school for a Key Stage 2 Act of Worship. Apart from teaching us lots of new songs with actions which the teachers couldn't do, he reminded us of our blessings and of the true meaning of being sorry.

**Year 2 Rugby Tots** As part of the school's Sport Premium, year 2 have been taking part in rugby tots, where the basic skills of rugby are coached maintaining small class numbers, the focus is on fun whilst enhancing self-esteem and confidence.

## Romney Marsh Community Church – Friday Club

Friday club meets on Friday 6pm – 7.30pm for children in school years 3 – 6. It is an informal social time for children to join in with fun games and activities and chill together.

**Head lice** - have recently been found in the hair of children in key stage 1 classes. Head lice have nothing to do with cleanliness or parenting skills. Head lice are spread mostly by direct head-to-head contact. The sharing of hats, combs and other hair accessories may also spread head lice, but this is rare. The best way of dealing with head lice is to wash children's hair and apply plenty of conditioner, using a fine-toothed comb with metal teeth spaced close together. The secret is then to repeat as often as possible as head lice are not able to cope with well conditioned hair. Pupils with longer hair should also have their hair tied back to minimise the risk.

**Reminders**

**Breakfast Bonanza**

Come and join the school FLO, Lisa Baker and staff from the Children's Centre in helping finding out what services parents would like. Drop your children at school and use the time to join us for breakfast and a chat.

**On Tuesday 9<sup>th</sup> February 8.30am to 10.00am**

All parents and carers are welcome to attend. Please collect a ticket from the school office to help us plan our numbers for catering.

**Maths Workshop for parents**

The KS2 (years 3 to 6) parent workshop will be held at **2:15pm on Friday, 5<sup>th</sup> February**. This session is designed to provide parents with strategies to support your child's maths at home. Parents will also be introduced to 'My maths' an online learning platform for children to complete interactive maths activities at home. The Key Stage 1 session will be held after the half term break on **Friday 26<sup>th</sup> February at 2.15pm**. Please do try and come along to these informative sessions.
