

Fantastic Food Year One Homework Grid Summer Term One 2019

Please choose **5 activities** from the grid and do one of these activities each week. You can use the resources in your homework folder to complete these activities and use it to store your work.

Hand in your folder on **Monday 20th May**

Remember the expectation is that you read every night for 10 minutes and please practise your sounds.

<p><u>Maths</u> Can you practice counting in 2s, 5s and 10s to help with the 2, 5 and 10 times tables.</p>	<p><u>Geography</u> Pick a fruit or vegetable of your choice. Find out what country it comes from and how it grows. Create a poster or fact sheet to share your new information.</p>	<p><u>English</u> Continue practicing your letter formation and spelling common exception words. Can you write your own silly sentences using the words?</p>
<p><u>Maths</u> Find different arrays (used to show multiplications) around the house and when out and about- take photos or draw pictures of them.</p> 	<p><u>RE</u> Take a photo or draw a picture of something that is precious to you. (In terms of it means a lot to you) Explain why is it so special to you? How do you treat it? And anything else you would like to tell us about your precious item.</p>	<p><u>Science</u> Create your own bug house for our outdoor area.</p> 
<p><u>DT</u> Complete a tally chart on the favourite foods of friends and family. Find tally chart attached to complete.</p> <p>Remember I = 1 person II = 2 people III = 3 people IIII = 4 people 𐄂𐄂 = 5 people 𐄂𐄂 𐄂𐄂 = 10 people</p>	<p><u>English</u> After picking a fruit or vegetable of your choice. Write some sentences using adjectives, capital letters, full stops and finger spaces to describe it. Think about your 5 senses: touch, taste, smell, feel, sight.</p>	<p><u>Science</u> Make a poster to describe the words herbivore, carnivore and omnivore.</p>
