These are only an example. Please feel free to use your own. Children can use toys around the house to help them solve them or create their own number line to 20 to help them. Please share any photos of how you solved your questions ☺

Example maths questions:

3+1=

6+3=

7+2=

5+4=

8+6=

9+7=

11+5=

12+6=

13+4=

9+4=

3+12=

7+11=

7+___=12

6+ ____ = 10

8+ ____ = 15

14+ ____ = 17

15+ ____ = 20

____ + 5 = 9

____ + 12 = 19

____ + 8 = 14
