Last week we looked at what makes a story special to us. For our learning this week we are going to look at a story that Tom and Tessa find special to them as Christians.

Tom and Tessa are our Christian dolls we use in our classrooms to learn all about Christianity.

The Story is Jesus Calms the Storm.

There are 2 different versions to look at the first one is presented through Godly play.

Our question is I wonder why this story might be special to Tom and Tessa?
