

Year 1: Remote learning – Week 4 – 27<sup>th</sup> April

CHILDREN ARE TO COMPLETE THE TASKS IN THEIR HOME LEARNING BOOKS

Subject	Work at home ideas
Reading	<p>Read a book from home or a RWI book from oxford owl <a href="https://www.oxfordowl.co.uk/home/reading-site/find-a-book/library-page?view=image&amp;query=&amp;type=book&amp;age_group=&amp;level=&amp;level_select=&amp;book_type=&amp;series=Read+Write+Inc.#">https://www.oxfordowl.co.uk/home/reading-site/find-a-book/library-page?view=image&amp;query=&amp;type=book&amp;age_group=&amp;level=&amp;level_select=&amp;book_type=&amp;series=Read+Write+Inc.#</a></p> <p><b>For comprehension activities:</b></p> <p>As your reading the story make predictions about what could happen next. Explain why you think that.</p> <p>Talk about how the character's feelings – what is making them feel that way?</p> <p>If you come across any words you don't know what they mean, find out!</p>
Spelling	<p>Practice spelling words containing the sound of the day from the RWI lesson <a href="https://www.youtube.com/channel/UCo7fbLqY2oA_cFCIq9GdxtQ/featured">https://www.youtube.com/channel/UCo7fbLqY2oA_cFCIq9GdxtQ/featured</a></p> <p>Continue practicing the common exception – hopefully you're getting better at spelling these now!</p> <p>We are going to add a compound word activity during the week. Keep your eyes peeled for this.</p>
English	Continuing the story of Sidney the Spider. See below for daily activities.
Maths	<p><a href="https://www.prodigygame.com">https://www.prodigygame.com</a> - can children then write a re-count of what they did on the game.</p> <p><a href="https://play.numbots.com/#/account/school-login/16518">https://play.numbots.com/#/account/school-login/16518</a> This site will support children with counting, number bonds and addition and subtraction.</p> <p>See below for White Rose daily activities. There is a video to watch before completing the activities.</p> <p><a href="https://whiterosemaths.com/homelearning/year-1/">https://whiterosemaths.com/homelearning/year-1/</a></p> <p>Subtraction Challenge! See if you can use your problem solving skills to find the answers to these subtraction problems. Can you create and solve your own subtraction word problems? See resources on the Year 1 webpage. If you are not quite ready for problem solving, stick with using items around the house and number lines to solve subtraction number sentences like 18-4= etc.</p>

Science	Go on a minibeast hunt! This could be in your garden or on your daily walk. Find a minibeast identification sheet on the Year 1 webpage. Draw the minibeasts you find and where you find them.
Topic	All about the UK. Children need to learn the names of the 4 countries and their capital cities. Here is a link to bbc bitesize where there is a good video and a couple of activities to complete <a href="https://www.bbc.co.uk/bitesize/topics/zyhp34j/articles/z4v3jhv">https://www.bbc.co.uk/bitesize/topics/zyhp34j/articles/z4v3jhv</a> I will also upload a presentation and some other activities (see Art activity as well) you could do to help them learn the UK countries and capital cities.
PE	<a href="https://www.passltd.org/copy-of-pe-eyfs">https://www.passltd.org/copy-of-pe-eyfs</a> Ignore the fact that the link says PE for EYFS – I have tried it and it takes you to the correct page! There is a video going through striking and fielding activities for KS1 – it gives you some great ideas for things you could use to practice this if you don't have access to a ball. Send in photos of what you use to complete this!  Under the home learning tab there is also a morning routine. This could be worth trying if you need some more motivation to keep active!  <b>Ways to keep active:</b> Ride your bikes or scooters. Go for a walk, make a hopscotch outside, create your own obstacle course.  <a href="https://www.bbc.co.uk/teach/supermovers">https://www.bbc.co.uk/teach/supermovers</a> there are lots of great active videos here, that also link to the curriculum  Joe Wicks has been doing a live broadcast for PE lessons every day at 9am. Feel free to join in with them live or complete them at a different time. Here is the link to his youtube page with all the videos on. <a href="https://www.youtube.com/playlist?list=PLyCLOPd4VxBvQafyve889qVcPxYEjdSTI">https://www.youtube.com/playlist?list=PLyCLOPd4VxBvQafyve889qVcPxYEjdSTI</a>
Art	Can you create the flags of the United Kingdom? See the topic attachment on the web page for some ideas.
DT	Use your building designs from last week to build your building using the materials you labelled on your plan. Upload a picture of your design and your building to dojo.
Computing	Think you know episode 2. See resource on web page for the link and activities.
Music	Go on a sound search walk. Record the different noises and sounds you hear on your journey. Which were your

	favourites? Why? Were there any noises you didn't like?
RE	<p>This year we have learnt about what many Christians believe and how they worship. Now we are going to find out about a different religion, Judaism. Let's find out about what many Jewish people believe and how they worship. Watch the video 'What is Judaism?' with an adult.</p> <p><a href="https://www.bbc.co.uk/bitesize/topics/znwhfg8/articles/zh77vk7">https://www.bbc.co.uk/bitesize/topics/znwhfg8/articles/zh77vk7</a></p> <p>What have you found out together? Draw pictures and write key words or sentences to show us your new knowledge.</p>

English Activities					
Any resources needed for each day will be posted the night before.					
Day	Monday	Tuesday	Wednesday	Thursday	Friday
Activity	<p>Learn the song incy wincy spider. Come up with your own actions. Can you film yourself singing this or take photos of your actions?</p> <p>Here is an example of the song <a href="https://www.youtube.com/watch?v=YAJynCIsNUg">https://www.youtube.com/watch?v=YAJynCIsNUg</a></p>	<p>Fix the capital letters and full stops in the spider letter. Use your neatest handwriting to write out the letter, adding in your capital letters and full stops.</p>	<p>Use the template or write out the sentence starters and then complete the poem.</p>	<p>Read the fact file about spiders. Can you find out any more information about spiders?</p>	<p>Create your own fact file about spiders. Use the template provided if you wish or create a fact file in your home learning book.</p>

Maths Activities					
Any resources needed for each day will be posted the night before.					
Day	Monday	Tuesday	Wednesday	Thursday	Friday
Activity	<p>Day 1 – 'Find a half' on the White Rose website. Watch the video and then complete 'Get the Activity'.</p>	<p>Day 2 – 'Find a quarter 1' on the White Rose website. Watch the video and then complete 'Get the Activity'.</p>	<p>Day 3 – 'Find a quarter 2' on the White Rose website. Watch the video and then complete 'Get the Activity'.</p>	<p>Day 4 – 'Problem Solving' on the White Rose website. Watch the video and then complete 'Get the Activity'.</p>	<p>Friday Maths Challenge on the White Rose website.</p>
