

Jack and the Beanstalk Craft

As we are exploring the Jack and the Beanstalk story it is a good time to get creative!

You might like to draw a picture of Jack climbing up the beanstalk or maybe you could try some of the other following ideas:

Have Fun being Creative

Knowledge and Understanding:

A few challenges for you:

Look out for the tallest plant or tree you can find either at home or on a walk.

Do you think the beanstalk would be taller?

What is the shortest plant or tree?

We have been going on our walks over to the field at school (see pictures below) When we last went the trees looked different to what they look like now. What has happened to the trees around us

now? Can you draw on the template below to show what they look like or talk to your adult about the changes.
