

RE Learning for this Week

The Story of Jacob and Esau

This week we are looking at the value of Trust which is one of our special school values.

Trust

Who can we trust?

We trust our grown-ups to look after us, to feed us and be there when we need help. We trust our friends to be kind to us and play with us. We trust our teachers in school to help us with our learning?

Can you think of other people you may trust ?

Hedgehogs and Squirrels do you remember the trust activity we did in class?

Now try this exercise at home. Close your eyes (no peeking) or use a scarf as a blindfold so that you can't see. Ask someone to lead you around the garden or living room.

Time to Think

How did it make you feel when you were led around blindfolded?

Worried? Scared? Unsure?

Trusting in someone is really important.

When we trust someone you can be sure that if they say they will do something or help you they mean it.

People who are trusted keep their promises.

When we trust someone we don't feel worries or unsure. We know they are there for us and that can make us feel good and reassured.

Do you think any of the story characters could be trusted?

Would you trust them?

Can you explain why or why not?
