

LADYBIRD

WORDS

★ Ladybird loves words! She has chosen some words from the story. Can you say each word together and match it to the right picture?

magical

speckled

soil

golden

whiskers

Please support your child to read the words. Encourage them to use 'Fred Talk' with familiar sounds and read together the unknown sounds.

If your child is finding this difficult then encourage them to put their finger under the word to show them you are reading it with and sometimes for them.
