

 In  a distant  land  there was a  small  long  eared  alien

 called  Beegu.  She  lived  on a  dark,  gloomy  planet  far,

 far  away.

 Suddenly,  her  spaceship  crashed.  Poor  Beegu  was lost.

 She  started  to look  for help  in the  muddy  park.  First

 she  asked  some  yappy  dogs  but  they  could not  help  her.

 Next  she  asked  some  swings  but  they  could not  help  her.

 Then  she  asked  some  flowers  but  they  just  danced  in

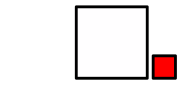

the wind.

Beegu

heard

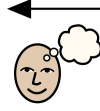

a little

sound.

She

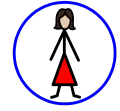

thought

it was

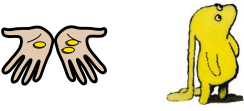

her

mother

but it wasn't.

Poor

Beegu

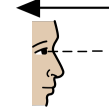

was

lonely

so

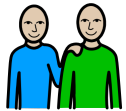

she

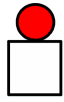

looked

for some

friends

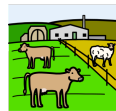

on

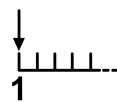

the

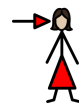

busy

farm.

First

she

found

some

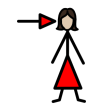

fluffy

sheep.

Then

she

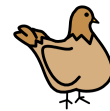

found

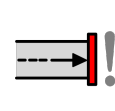

some

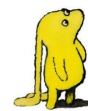

happy

hens.

Finally

Beegu

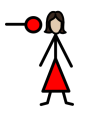

waved

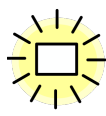

goodbye

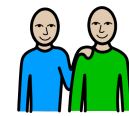

to

her

new

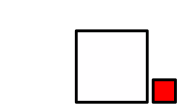

friends.

Beegu

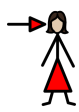

heard

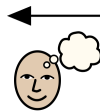

a little

sound.

She

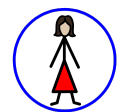

thought

it was

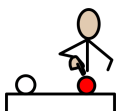

her

mother

calling.

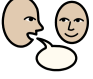

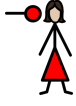

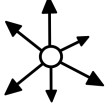

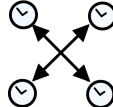

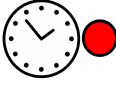

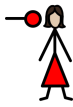

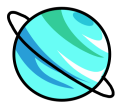

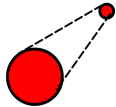

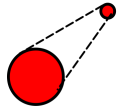

This

time

it was!

           
Beegu told her parents all about life on Earth. Beegu

            
lived happily ever after on her planet far, far away.
