Monday 18th January 2021

Look at the pictures of the <u>settings</u> in the story. Where is Beequ?

Can you identify and write the nouns (where words)- these could be blue. For example playground, city, planet, Earth.

Can you also include adjectives (what like words)- these could be green. For instance, strange, odd, new, unknown, noisy.

Can you write a sentence for each of the places/ settings?
