

PSHE

Our overall theme this term is **Dreams and Goals**

This week in PSHE we are thinking and talking about:

The link between what I learn now and the jobs I might like to do when I am older.

We are going to think about being an adult like your adults at home and what job you think you might like to do when you are older.

Let's have a think about some jobs that the children may know about : [Kids vocabulary - \[Old\] Jobs - Let's learn about jobs - Learn English for kids - YouTube](#)

Talk at home about family members and the jobs they do. What did they have to do to get there?
What did they have to learn to do their job well?

I wonder what skills you will need for the job you may like to do when you are older.

We need to learn to read and write for most jobs. Maybe we need to be good at measuring to be a builder, using a camera to be photographer, good at drawing to be a designer etc.

Think about your goals for learning and what you want to achieve that will help you when you are older.
