### Luke 8: 22-25 Jesus Stops a Storm

One day Jesus and his followers got into a boat. He said to them, "Come with me across the lake." And so they started across. While they were sailing, Jesus fell asleep. A big storm blew up on the lake. The boat began to fill with water, and they were in danger.

The followers went to Jesus and woke him. They said, "Master! Master! We will drown!"

Jesus got up and gave a command to the wind and the waves. The wind stopped, and the lake became calm. Jesus said to his followers, "Where is your faith?"

The followers were afraid and amazed. They said to each other, "What kind of man is this? He commands the wind and the water, and they obey him!"

You may like to act out the story at bath time if you have a boat that you can use.

Here are some craft ideas to help you act out the story:

To make this bottle you would need some vegetable oil and blue food colouring and water. Then make your boat.
