

RE Term 3 – New Testament Stories

This is our RE for this week. Discuss with your child what they learnt about Jesus last term and why he is special? (Hopefully, your child will talk about what we learnt about Jesus last term, Jesus being born at Christmas..).

We are now teaching the children about Jesus as an adult. God gave Jesus a special job on earth to share God's good news.

Discuss with your child how as adults, we receive messages eg text messages, e-mails, letters, phone calls, talking to a friend..

Jesus told his stories to the people to share God's messages. Can you help your child write a message to a member of the family or a friend, possibly send a letter or a text message? This is to help the children understand what sending a message is all about.
