

Tuesday 26<sup>th</sup> January 2021

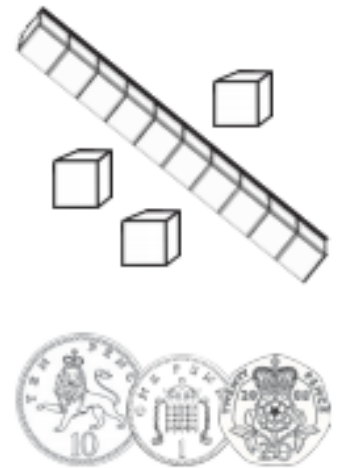

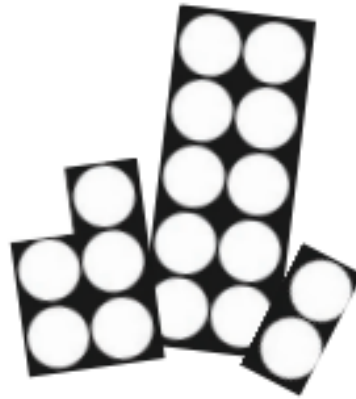

Can you make the numbers using tens and ones? Can you represent the numbers in different ways?

Here are some ideas for making tens and ones at home.

Choose one of these numbers and show it:

- on a number line
- using tens and ones equipment
- using Numicon
- using ten-frames
- using bead strings
- using coins

25	31	33
22	18	36
24	17	39
