Can I find one more?

Find 2 different objects to represent tens and ones

Make the number below using your tens and ones. Then find one more by adding 1.

Miss Wilson has 23 children in her class. One more child joins Miss Wilson's class. How many children does Miss Wilson have now?

Archie has 38 tennis balls. He finds one more in a tree. How many tennis balls does Archie have now?

Mrs Pursey has 12 books in her book corner. Mr Dale gives her one more book. How many books does Mrs Pursey have in her book corner now?

Mia has 42 smelly pencils. She gets one more for her birthday. How many smelly pencils does Mia have now?

Challenge:

One More and One Less - Challenge Cards

1. Use the number line to show me:

- 1 more than 21
- 1 more than 22
- 1 more than 23

What do you notice? Can you continue the pattern?

One More and One Less - Challenge Cards

4. Abigail thinks of a number.

- What is Abigail's number?
- Explain how you know using a number line or equipment.
