

## PSHE

Our overall theme this term is **Dreams and Goals**

This week in PSHE we are thinking and talking about:

Reflecting on the goal that you set yourself several weeks back in January.

**Have you achieved your goal ? How did you do it ?**

**Could you set yourself another goal now?**

Perhaps you could draw a picture to show what your goal was or take a photo or a short video and send it through on your portfolio or on messages.

This clip might help you think about achieving your goals: [I Had To SHARE This: PIPER by Disney PIXAR | Be Inspired | All The Smoke - YouTube](#)
