

## School Council Minutes from meeting Tuesday 12<sup>th</sup> October

Everyone welcomed and badges given out.

Agenda:

1. Young Minds

*Children were reminded about Young Minds and wearing yellow on Friday. Agreed to remind their classmates and make posters for their classroom. They will help to collect money and sort out the cookie sale on Friday.*

2. Suggestion Box

*Children will speak to their classes and put out a suggestion box for ideas to bring to school council. They will talk about sensible ideas – no swimming pool!*

3. School dinners

*Explained that as part of school dinners, we were planning on adding soup. Children took part in a soup tasting to see which would be the most popular flavour. The idea of soup went down really well especially with crusty bread, croutons or grated cheese on top.*

*The results were: cream of tomato (easily the firm favourite), cream of chicken, cream of mushroom (but they didn't like the bits), vegetable soup and they all hated carrot and coriander!*

Meeting finished with a lot of washing up to do in a very short space of time!!
