

## **Minutes of worship leaders meeting – 26/6/23**

Present: All worship leaders plus some additional Yr 6's, Mrs Turner, Mrs Spain (Collective Worship lead – Charlton Primary Academy) 4 worship leaders from Charlton

### **Agenda:**

#### **1. Welcome our visitors**

- We welcomed the worship leaders who were visiting us for the day to learn from our leaders.
- We talked about what they had seen and learnt from their day with us – children had observed a child led worship to KS1 led by Yr 6. They commented that HE in particular was inspirational and like a 'real' teacher but even better!
- Children spent time talking to leaders to find out what their role entails and then went on a tour around the school

#### **2. Update on fundraising:**

- We discussed how we had donated half of the Lenten fundraising to Christian Aid - £400
- The other £400 is going towards the Gold school status for MAF which is our chosen charity for next year

#### **3. Reflect on how delivering worship is going:**

- Children all talked really positively about worship in their classes and what was going really well
- Worship leaders were asked to remind their teachers to hand in the weekly reflections to Mrs Turner
- For the last 3 weeks of term, Year 6 are going to be training up the Yr 4/5's to lead KS1 worships and write their own worship sessions

#### **4. Values activity**

- Children were split into groups to work on a document - how we live out our values and what that looks like in our school

Mrs Turner to collate the information and create a poster for all classes ready for next year

**Worship leaders to work with their classes to talk about how children flourish in school**
