Katie Morag Island Stories

Computing

Data Systems

This term the children will be investigating the International Space Station and what data systems are used to support the astronauts who stay on it.

RE

Key Question: Who is a Muslim and what do they believe?

This investigation enables pupils to learn in depth from Islam, finding out about Muslim ways of life and beliefs, so that pupils can develop thoughtful ideas and viewpoints of their own about religious and spiritual questions.

Geography

this term we will be making comparisons between where we live with an African country.

- Human and physical features
- Climate and temperature
 - Population
- And other comparisons.

English

This term we will be reading a variety of Katie Morag books.

The children will be writing instruction, recounts and non-chronological reports.

We will also be writing about some of the sports activities that we take part in this term.

PE

Athletics

- Children will learn:
- How to change their running speed and direction.
- To jump high and for a distance.
- To create a good warm up
- To throw and catch with success

Games-Multi Skills Focus

- Throwing and catching
- Batting
- Applying tactics into simple games.

We will also be having Sports Day

Music - African call and response

- Use instruments to represent animals, copying rhythms, learn a tradition African call and response song, recognize simple notation.

Fox, Hare and Rabbits Class
Term 6
