## What is Reading for Pleasure ?

Anything from poetry to instruction manuals, magazines, comics, biography, fiction, history, information – it's a lifelong resource. You can do it anytime, anywhere.

## Why is it SO important?

---

- Evidence suggests that there is a positive relationship between reading frequency, reading enjoyment and attainment (Clark 2011; Clark and Douglas 2011).

Reading enjoyment has been reported as more important for children's educational success than their family's socio-economic status (OECD, 2002).

## Why else is it SO important?

---

Reading for pleasure has been associated not only with increases in reading attainment but also with writing ability, text comprehension, grammar, breadth of vocabulary, attitudes, self confidence as a reader, pleasure in reading in later life, general knowledge, a better understanding of other cultures, community participation, a greater insight into human nature and decision-making

(Clark & Rumbold, 2006; Howard, 2011)
