

Worship Leaders meeting 26/9/23

Present: All worship leaders from Yr 2-6, Mrs Turner, Rev Chris, Penny M

This was the first meeting of the year

Agenda:

1. Introduce the new worship leaders and welcome back the returning ones.
2. Introduced Penny M as the governor
3. Introduce and talk through the roles and responsibilities of worship leaders
4. We went through the monitoring forms and the pupil voice forms so everybody was clear how to use them
5. MAF: We had an assembly about MAF (Mission Aviation Fellowship UK) today as this was the charity we decided to support this year. We have committed to being a 'Gold' standard school and need to raise £750. There was a discussion about ideas for fundraising
 - Tag days
 - Cake sales
 - Sporting challenge / sponsored event
 - Each class to do an event over the course of the year
 - Big collection jar to collect small change over the whole year
6. We discussed how the congregation at the church can support us with our MAF fundraising – we will make a display to go in the church
7. We had a discussion about what is already going really well with worship – the feedback from children was really positive. They reported that class worship is really good, children are listening carefully, being respectful, actively taking part, using reflection time well

We wished the new year 6 worship leaders good luck for their first worship to KS1, which they have written and will be delivering tomorrow. Some of our new worship leaders in Year 6 are very new to the school

Rev Chris finished with a prayer

Jobs:

Worship leaders to get teachers to send me photos this week so we can update the website.
