

Year 2 – Fox, Hare, and Rabbit Class

Term 2 Curriculum Map

Geography Objectives

- What are some of the UK's features and landmarks.
- Locate some of the world's amazing places.
- Name and locate the world's oceans.
- To draw human and physical features on a map.
- To investigate local habitats and record findings.
- Learn how to look after natural habitats.

Computing objectives

- To understand what an algorithm is and create algorithms to solve problems.
- To use loops in their algorithms to make them more efficient.
- To develop an understanding of abstraction, decomposition and debugging.

PE

- Developing our running and jumping skills.
- Finding different ways of taking off and landing.
- To perform sequences in gymnastics with clear beginnings and endings.

PSHE Objectives

- To recognise that different rules apply in different situations.
- To explain what makes a good school environment.
- To identify some jobs that people do to keep the local area pleasant.
- To recognise some local job roles that help the community.

Maths

Addition and subtraction

- add and subtract 1s
- 10 more and less
- add and subtract 10s
- add 2 digits and 1 digit
- subtract 1 digit from 2 digits

Multiplication and division

- recognise equal amounts
- Make equal groups
- add equal groups
- the multiplication symbol
- Multiplication from pictures
- use arrays

Art Objectives

- To identify similarities and differences between artists' work.
- To create different tints and shades.
- To develop techniques in colour, pattern, texture, line, shape, form and space.

Music Objectives

- Use their voices expressively and creatively.
- Play tuned and untuned instruments.
- Listen and understand music.
- Rehearsing Nativity songs.

English

This term we will be reading *The Snail and the Whale* and *Dear Greenpeace*. We will be writing fact sheets about animals, setting descriptions and informal letters.

- Focusing on punctuation (capital letters and full stops)
- Using conjunctions: and, but, because
- Using adjectives and adverbs in our written work
- Beginning pre-cursive handwriting

In our reading we will be looking at retrieval and inference skills.

RE: How should we care for others and the world, and why does it matter?

- To explain what Jesus said about the importance of people.
- To give simple reasons why Jesus told the story of the Good Samaritan.
- To identify how different religions care for others.
- To explain the Jewish practice of Tzedakah.
- To identify the Golden Rule and what might happen if people followed this idea more.

We will also tell the story of the birth of Jesus and recognise the link with incarnation – Jesus is the 'God on Earth'.

Science Objectives

- Children will be observing closely, using simple equipment.
- Can they perform simple tests?
- Can they identify and classify different materials?
- Can they gather and record data to help in answering questions?
- Can they compare how things move on different surfaces?
