

Year 3 - Term 3

Maths

We will continue to develop our multiplication and division skills. We will then learn about length and perimeter.

RE

What is important for Sikhs?

We will learn about the Sikh religion; how and when it was founded; what they believe, and about the Khalsa.

Music

We will develop our singing skills. We will learn to recognise simple rhythmic notation by ear and sight.

English

We will be reading 'The Iron Man'. Much of our writing will be linked to this. The genres we will be writing include: newspaper articles, poetry, persuasion and narrative. We will write a non-fiction piece linked to our history topic.

History

We will be learning about what happened after the Romans by comparing the Anglo-Saxons and Vikings. We will learn about important people and key dates.

PE

Cognitive – Recognise Success

Real Gym

PSHE

We will be looking at our wellbeing. This will include exploring a healthy body and mind by learning about resilience and relaxation. We will also look at our identity.

Science

We will explore fossils and know how they are formed. We will then learn about the importance of soil and carry out investigations.

Computing

We will learn how to send emails with attachments and how to be a responsible digital citizen by thinking about the contents of what is sent.

DT

We will be designing and making cushions. We will know that appliqué is a way of mending or decorating a textile by applying smaller pieces of fabric.

MFL

We will learn how to count up to 12. We will apply this knowledge when learning playground games and saying our ages in French.
