

Year 4 Term 4

reading
plus

English - The Explorer

This term the children will be going on an adventure, exploring the rainforest, writing setting descriptions, news reports and letters.

HTML

Computing

HTML

The children will be learning how HTML (Hypertext Markup Language) is used to change how websites are displayed.

PE

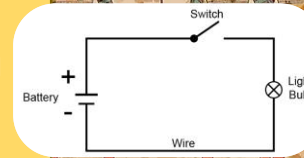

Creative – developing and applying sending and receiving and counter-balance skills.

Pop Lacrosse – we will have a coach come in to teach us how to play pop lacrosse – everything from passing, moving and shooting to defending and attacking.

Science - Electricity

The children will be looking at appliances / devices that need electricity to function; building and drawing series circuits and understanding when things are wrong; understanding conductors and insulators.

Art - Sculpture

The children will be designing and creating 3D sculptures using soap.

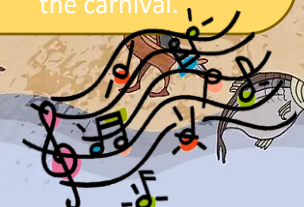

History - Ancient Egyptians

This term, we continue learning about the Ancient Egyptians learning about their gods, understanding hieroglyphics, understanding the significance and complexity of the pyramids and the Sphinx as well as looking at the discovery of Tutankhamun's tomb by Howard Carter.

Music - Samba and carnival sounds

Getting a feel for the music and culture of South America, children are introduced to samba and the sights and sounds of the carnival.

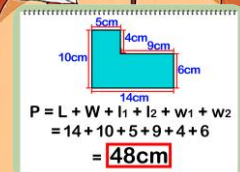

RE - Salvation

Why do Christians call the day Jesus died Good Friday? We will be learning about The Last Supper and digging deeper into the events of Holy Week.

PSHE - Health and Wellbeing

This term the children will learn about dental health; think about a calm place that helps them to feel relaxed; describe about how they feel when they make a mistake and what can be learned from making mistakes; describe what makes them happy; understand what mental health is and that sometimes people might need help.
