Year 3 – Term 4

English
We will be reading traditional fairy tales and exploring how we can put different 'twists' into them. We will start by reading 'Into the Forest'.
We will know how to write a biography about Hans Christian Anderson.
We will be creating a persuasive brochure about our local area.

Science - Forces
We will know about friction and how it can be applied. We will explore magnetic and non – magnetic objects. We will find out how magnetic poles attract or repel.
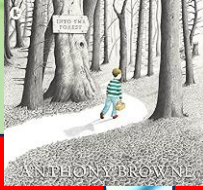

Maths
We will learn about length and know how to find the perimeter of shapes. We will learn about unit and non – unit fractions. We will know how to order these on a number line. We will also learn about mass and capacity.

Computing - Journey inside a computer.
We will know about input and output. We will learn about a computer's memory and how it processes instructions.
Online safety.

Painting – Pattern and colour.
We will study the artist Norval Morrisseau. We will learn about the colour wheel and experiment with patterns.

Geography - Are all settlements the same?
We will know about settlements and how land is used in our local area. We will explore how it has changed over time. We will compare this to New Delhi.

Music - Traditional instruments and improvisation.
We will listen to Indian music and use given notes to improvise a piece.

RE - Why do Christians call the day Jesus died Good Friday?
The children will learn about the different Easter church services and explore the emotions experienced by Christians.

PSHE – Health and Wellbeing.
We will continue to learn about resilience and feelings. We will also explore diet and dental health.

French
We will learn how to respond to simple classroom instructions. We will learn the vocabulary for classroom objects and whether the item is masculine or feminine.
