

Maths

This term we will be learning about decimals, fractions and percentages, statistics and shape.

English

This term we will be using 'The Sister Who Ate Her Brothers: And Other Gruesome Tales' by Jen Campbell to inspire our writing.

R.E.

Over the next two terms in R.E. we will be learning about what it means to be Muslim in Britain today. We will be considering what Muslims believe and how this affects the way in which they live their lives.

Geography

This term we will be learning about oceans and why they are important as well as how our oceans are suffering and what we can do to help.

Term 5 – Why do oceans matter?

Computing

This term we will be learning how to create our own stop motion animations.

P.E.

This term we will be developing our physical skills by combining different skills in a given context. We will also be learning the skills involved in playing cricket.

Design and Technology

This term we will be learning how to make our own pop-up books.

Music

This term we will be learning about different types of musical theatre and the features of this form of music.

Science

This term we will be learning about and comparing the life cycles of different animals.

PSHE

This term we will be learning about keeping ourselves safe.
