

The Hive Lots of fun in term one!

In the Hive this term we will be exploring how wonderful we are with our Marvellous Me learning! We will be finding out about our senses and looking at different homes and families. We will focus on Personal, Social and Emotional skills to help share with each other and practice waiting our turn and we will be working on our independent self-care skills. We will

also continue to explore our feelings and emotions using the Colour Monsters and Zones of Regulation.

Counting, correlating and ordering numbers, exploring place value, counting in groups and practising our multiplication facts and recall.

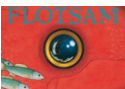

In other learning we will be thinking about.....

Our school value of Community— we are all unique so how do we fit together?

We will be sharing the stories of the Little Red Hen, The Enormous Turnip, Rapunzel, Flotsam and Edward Tulane. **Depending on year group.

Changes in our environment—what are the signs of Autumn?
