

Term 2

French

In French our topic is 'French football champions'.

Maths

In maths we will be learning about long multiplication, short/long division and fractions and measure.

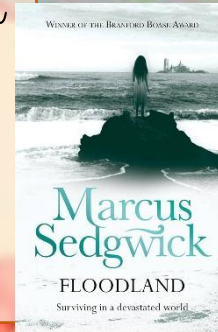

Music

In music we will be learning about dynamics, pitch and texture.

English

In English, we will be reading Floodland and using this as inspiration for writing, narratives, poems and much more!

We will be focusing on multi-clausal sentences to help extend sentences.

RE

Racism - What is it and why is it unfair?

Art

In D.T. we will focus on textiles and create a bag/pocket for a mobile phone.

Geography

In Geography, we will be answering the question 'Why does population change?'. Investigating the reasons behind changes in birth and death rates, why people migrate and the effect of climate change on the population.

Science

In science we will be learning about electricity. Building circuits and recognising the difference between open and closed circuits.

P.S.H.E

In PSHE we will be learning about citizenship.

Computing

In computing we will be learning about data handling and Big Data.
