Year 4 Term 2

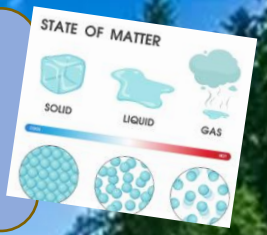

English
Varjak Paw

We will be exploring the themes in the book through character and setting descriptions alongside writing narrative build ups and problems. In our reading lessons, we will be delving into the text and unpicking word choices and meanings.

Science
States of Matter

The children will learn about the properties of solids, liquids and gases. They will plan and carry out a variety of experiments linked to changing state.

PSHE
Connecting with others: How can we respect each other?

We will be examining respectful and disrespectful behaviour by considering how actions and expectations can vary in different settings.

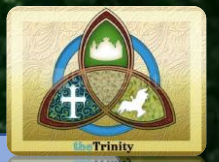

RE
Incarnation

We will be digging deeper into the big question: *What is the Trinity?*

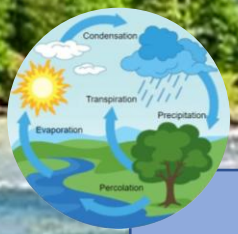

Exploring the Christian belief of God being 3 In 1, Father, Son and Holy Spirit

Computing: Programming
Further Coding with Scratch

The children will be learning more about coding using Scratch. They will look at variables and how these are used to store information.

Geography
What are rivers and how are they used?

We will be learning about the water cycle, physical features of rivers, locations of major rivers and how they are used.

Maths
Area

Calculating area using cm squares

Multiplication and Division

We will be looking at times tables and creating fact families.

DT

The children will be getting involved in a top-secret project for Light Up New Romney in December! Sssssshhh!

In addition, they will be Applying scientific understanding of electrical circuits through designing and making a torch using recycled and reclaimed materials.

PE
Sport - Dodgeball

Skills – Social

Develop social skills, showing respect by listening to others' ideas and sharing own ideas. Begin to develop leadership skills to help organise roles and responsibilities in small teams.

French
Getting dressed

We will continue to learn about adjectival placement and agreement as we learn French words and phrases for clothes, creating our own pictures and descriptions.

Music
Exploring Staff Notation

We will be continuing our lessons with Miss Chambers, looking at written music and following a musical score.
